	9:00 H. E. Meyer: High performance proteomics - General Strategies	9:00 C. Huber: Basic and Advanced principles of liquid chromatography	9:00 B. Küster: Principles of Mass spectrometry	9:00 O. N. Jensen Quantification & Glycosylation)	9:00 R. Kellner: Sample handling and Proteomics in Industry	9:00 C. Gil: EuPA education activities
	10:30 Coffee-Break	10:30 Coffee-Break	10:30 Coffee-Break	10:30 Coffee-Break	10:30 Coffee-Break	9.40 Coffee-Break
	10:50 Thomas Conrads: Sample Preparation/Pre- fractionation in Proteomics	10:50 K. Gevaert: Combined fractional diagonal chromatography (COFRADIC)	10:50 - 12:30 Company Representatives (Dionex, Waters, Agilent)	9:00 K. Mechtler Separation of modified proteins II	10:50-12:30 Company representatives (Bruker, ABI)	10:50 F. Lottspeich: Proteomics - Past, present, future
	12:30-14:00 Lunch	12:30-14:00 Lunch	12:30-14:00 Lunch	12:30-14:00 Lunch	12:30-14:00 Lunch	12:30-14:00 Lunch & Departure
	14:00 P. G. Rhigetti: Two- dimensional electrophoresis	Free time	14:00 J. Cottrell: Protein identification by database searching	Free time	14:00 T. Rabilloud: Separation of Membrane proteins	
from 15:00 arrival and registration	15:45 Guided tour through "Kloster Neustift"	Free time	15:30 Coffee-Break	Free time	15:30 Coffee-Break	
	17.00 Coffee-Break	Free time	16:00 Parallel educational seminars (1. sample preparation, 2. 2D-PAGE 3. Chromatography, 4. Complexes 5. MS & Bioinformatics)	Free time/ 	15:50 D. Figeys: Purification and Separation of Protein Complexes	
arrival and registration	17:00 Company representatives (BD, Quiagen, Ludesi)	Free time		Free time	17:20 Company representatives (GE Healthcare)	
18:00 Welcome		Free time		Free time		
18:30 Matthias Mann: Plenary lecture - Proteomics -	18:30-20:00 Dinner	18:30-20:00 Dinner at Zanser Alm	18:30-20:00 Dinner	18:30-20:00 Dinner	18:30-20:00 Dinner	
20:00 Get Together	Posters & Drinks I		Posters & Drinks II		Open and Farewell
